# EWS – Complete Coverage, Improved Pricing

## Electric Wear Sensors (EWS)

- Complete Coverage covering 98+% Domestic/Import vehicles
- Now over 200 SKU's, including the latest vehicles, such as the BMW X5 X7 330 front and rear and Chevy Silverado 2500 and 3500 and GMC Sierra
- Coming soon: Ford Transit

**To:** All Stores

**Re:** 2014 and Newer Ford Transit 150, 250, and 350 Brake Service

## Note

**Caution** When servicing the brakes on the front and rear a 2014 and newer Ford Transit 150, 250, and 350 van, **never reuse** the caliper bracket anchor bolts, front hub bolts or the rotor bolts. They are one-time use bolts.

# Assortment Kits Save Time and Money

## Caliper Bracket Mount Bolts

- 70 Total SKU's (keeps growing)
- Thread lock on every bolt
- **2 New Assortments covering 90% of sales (H9096 and H9097)**

OEMs specify one-time use for many caliper bracket mounting bolts.  
Do not reuse, always replace them.

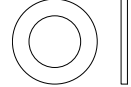

# Assortment Kits Save Time and Money

Introducing:

## Caliper Hydraulic Kit (H9100)

- Includes the top selling bleeder screws, inlet bolts and washers
- 10 of each
